

## TEST KITS AND STRIPS

Anthony Preston Ltd offers a variety of different tests kits and test strips for easy do-it-yourself checking and maintenance.

If you require something that is not listed , please feel free to call one of our representatives and ask, as we have access to many other products not on our price list.

We stock several easy to use test strips in bottles of 50 or 30, some popular choices are:

- Chlorine test strips
- pH test strips
- Hardness test strips

### CHEMICALS

We also stock a wide range of chemicals. Please phone us for assistance as some of these require special transport arrangements
