

## MINERAL DEPOSIT REMOVER

**PRO-TUB & TILE™ is a non abrasive liquid which is formulated to dissolve lime, rust, soap and other crusty build-up caused by minerals found in water. This thick fast acting liquid breaks down stains and deposits, which can be easily brushed and rinsed away!**

### CAN BE USED ON:

- TUBS
- SINKS
- TOILETS
- SHOWERS
- FAUCETS
- DISHWASHERS
- COOKWARE
- HUMIDIFIERS
- FIBREGLASS BOATS
- WASHING MACHINES

### FEATURES & BENEFITS

- Specially formulated with a low pH organic salt, non abrasive chemicals, and surfactants for effective cleaning
- A "Fresh and Clean" deodorising fragrance
- Thick formula that clings to vertical surfaces
- Used in a variety of household applications
- Will not harm white or coloured bowls or plumbing systems
- Contains no dangerous acids
